Hey my friend I've
Got a story to tell
About me marching straight
Through hell.
It's you who makes my live being
A cheerless fate
And for changing my path of live
It's to late!

My dreams to the future
Were broken to,
When I got to know,
What I have to do.
Although live passes even more,
I allways end up,
Where I stood before!

My mind closed to you
Your thoughts transparent to me.
It's an easy act to see
You through.
Are you still believing
That your life is a huge mystery?
In this case there are many things
You still have to learn...

Every next day
Entering your realm
Empty promises of you
Restore the calm.
Seems like being taken
In by you again.
There is no hope
To break this bane!

My mind closed to you
Your thoughts transparent to me.
It's an easy act to see
You through.
You just prefer
To ignore the fact,
That you are pushing us all
To a suicide pact!
