One
You're in my dreams,
A maze of love, intrigue and passion
Two
Making me scheme
You feed the flame with your devotion
Three
I want to see
Beyond the tears and tenderness
That I'm the one
Who makes your dreams come true
We'll be together

One love to give
One song to sing
Two hearts to live in harmony
Our chance is just one step away
Time for us to say
One love to share
One song to sing
Two hearts to care
In harmony
Our chance is just one step away
Time for us to say, time for us to say
Time for us to say

Star distant and free
You shine your light on our tomorrows
Two children are we
Enchanted by the night that follows
Fly bird on the wing
How beautiful to rise above
And fall in love
The way we have today
Is it forever?

One love to give
One song to sing
Two hearts to live in harmony
Our chance is just one step away
Time for us to say

One love to share
One love to sing
Two hearts to care
In harmony
Our chance is just one step away
Time for ys to say, time for us to say
Time for us to say
