do re mi fa so la ti do

do re mi fa so la ti do

twinkle twinkle little star

i no longer wonder what you are

scientist have explained you away

for all we know

you couldve burned out a billion years ago

do re mi fa fa follow me down down down to where we
must have fallen

so la ti do do dont you hear the three AM rooster calling

do ti la so so many nights i watched my room go silent

and wonder what happened what happened to my song

do re mi fa

so la ti do

here's what i was singing

do re mi fa

so la ti do

dont go confusing me

do ti la so

dont let me fall to ashes we all fall down

to ashes we all fall down

to ashes we all fall down

eventually

eventually

itsy bitsy spider crawls up another wall

soon her helpless fly will be drinked dead oh and

jack and jill who left to fetch that old pail of water

they have complicated feelings and

they just cant seem to love each other

do re mi fa fa follow me down down down to where we
must have fallen

so la ti do do dont you hear the three AM rooster calling

do ti la so so many nights i watched my room go silent

and wonder what happened what happened to my song

do re mi fa
do re mi fa
here's what i was singing
do re mi fa
so la ti do
dont go confusing me
do ti la so
dont let me fall to ashes we all fall down
to ashes we all fall down
to ashes we all fall down
eventually
eventually

jesus loves the little children
all the children of the world
yes jesus loves me
the bible tells me so
