My timing is off,  
Couldn't read your hands,  
Or your eyes,  
Or your smiles,  
With your face turned towards mine.

So I stumbled forward,  
And I tripped and fell,  
But my eyes,  
They see clearer,  
But only in the dark.

They see you taking over all my dreams now,  
Oh, you don't even know.  
And when I see you I'm just all regret now,  
Oh, don't want you to know.

So I played an old role,  
Played a gentleman,  
And now,  
I will reap,  
My gentleman's reward.

You taking over all my dreams now,  
Oh, you don't even know.  
And when I see you I'm just all regret now,  
Oh, don't want you to know.

I know I had my chance,  
And I learned my lesson,  
But I don't want to put that lesson to use,  
Unless it's with you.

You taking over all my dreams now,  
Oh, you don't even know.  
And when I see you I'm just all regret now,

Oh, don't want you to know.
