People say that I'm "wild at heart,"  
I've been like this right from the start,  
People say that I'll "live and learn,"  
When I heard I lay on the floor broken.

Chorus:

People say "nothing's gonna save me,"  
People say I should "let it all be,"  
But I'm standing on my own feet this time,  
People say I always took the wrong time,  
Better stop messing 'round with my mind,  
But I'm standing on my own feet this time.

People say that I'm not that strong,  
Now it's time I was moving on,  
And now I don't care what people say,  
Not afraid I got to do this my way.

Chorus:

People say "nothing's gonna save me,"  
People say I should "let it all be,"  
But I'm standing on my own feet this time,  
People say I always took the wrong time,  
Better stop messing 'round with my mind,  
But I'm standing on my own feet this time. -Oh yeah,

Oh, Yeah.  
Na na na na  
Oh, Yeah.  
Say it again now:  
Oh, Yeah.  
Na na na na  
Oh, Yeah.

Chorus:

People say "nothings gonna save me,"  
People say I should "let it all be,"  
But I'm standing on my own feet this time,  
People say I always took the wrong time,  
Better stop messing 'round with my mind,  
But I'm standing on my own feet this time.

People say that I'm "not that smart,"  
Just because I'm so wild at heart.....
