Done a lot of things that I'm not so proud of
Took a lot of turns that turned out wrong; that's a worn
out song
Day by day, moment by moment
Takin' my chances, trustin' my heart, it wasn't too
smart
Lonely, and lost as I could be
No way it's up to me

I will survive
I will endure
When the goin's rough
You can be sure
I'll tough it out
I won't give in
If I'm knocked down I'll get up again
As long as my dream's alive
I will survive

Lettin' go of my bad habits
Hangin' on the hope
For better times
I'll be fine
Learnin' to sleep in the bed that I made
Layin' the blame
Where it belongs
I've gotta be strong
Tear drops no one sees but me
I won't stop, 'cause I'll always believe...

I will survive
I will endure
When the goin's rough you can be sure
I'll tough it out
I won't give in
If I'm knocked down I'll get up again
As long as my dream's alive
I will survive
As long as my dream's alive
I will survive

As long as my dream's alive
I will survive
I will endure
When the goin's rough you can be sure
I'll tough it out
I won't give in
If I'm knocked down I'll get up again
As long as my dream's alive
I will survive

I will survive

I will survive

I will survive

Oh yeah

Now, I will survive

Yeah, I will survive
