I want to be a lover
I wanna do it with you
I want to record a cover
And miss the big to be with you
I want to be Chris Isaak
On that video too
I wanna play the bass like McCartney
But what I want most is you

On and on and on
This is just the beginning
On and on and on
This is just the beginning
On and on and on
Together we'll win it
On and on and on
This is just the beginning
This is just the beginning

I wanna dance like Bryan Ferry
Do you wanna dance with me
I want you under the covers
Pleasing you pleases me

On and on and on
This is just the beginning
On and on and on
This is just the beginning
On and on and on
Together we'll win it
On and on and on
This is just the beginning
This is just the beginning
(This is just the beginning)

On and on and on
This is just the beginning
On and on and on
This is just the beginning
On and on and on
Together we'll win it
On and on and on
This is just the beginning
