Well I head on out
at the local disco hall
wehere the kids get down
to the funky disco wall
well the music hit me high
it hit me low
oh babe, I was getting it all

Through the smoky funky scene
man, you should have been
they have those disco lights
flashing through the night

Sexy music on the wall
sexy music I was getting it all
sexy music on the wall
sexy music I was getting it all

Oh reflections in the night
sexy actions in the light
how those shadows turn me on
one look and I was gone

When I checked the time
I should be heading home
I'm shaking to that rhythm
in my soul
those shadows flickered high
they flickered low
oh babe, nearly lost control

Oh sexy music
sexy sexy

Through the smoky funky scene
man you should have been

we raised our body heat
as we danced on to the best
