Stephanie, (Dolly), [Both/Duet]

If I should stay
I would only be in your way
So I'll go, and yet I know
That I'll think of you each step of my way
And I, I will always love you
[I will always love you]
Bitter Sweet
[Memories]
That is all I have, All I'm taking [with me]
Goodbye (Bye)
No please don't cry (Please don't cry)
Cause we both know that I am not
[What you need.]
[But I, I will always love you.]
[I will always love you.]
Mmmm, I Hope life (I hope life)
Treats you real kind (Treats you real kind)
And I hope (I hope)
You have all you, (Have all)
Ever dreamed of. (You ever dreamed of)
And I wish you joy (I wish you joy)
I wish you happiness (And happiness)
But above all things (Above all this)
I wish you, love, love, love and
[Love]
[I will always love]
You (I will always, always love you)
Yes I will
[Always love you, I will always love you]
(I will always, always love you)
I will always love [you]
I will always love you (I will always, always love you,
Mmmmm)
