Stop !

With your feet in the air and your head on the ground  
Try this trick and spin it, yeah  
Your head will collapse  
But there's nothing in it  
And you'll ask yourself

(chorus)

Where is my mind ?  
Where is my mind ?  
Where is my mind ?  
Way out in the water  
See it swimming

I was swimming in the Caribbean  
Animals were hiding behind the rocks  
Except the little fish  
But they told me, he swears  
Trying to talk to me, coy koi

(chorus)

With your feet in the air and your head on the ground  
Try this trick and spin it, yeah  
Your head will collapse  
If there's nothing in it  
And you'll ask yourself

(chorus)

With your feet in the air and your head on the ground  
Try this trick and spin it, yeah
