How I wake in the morning,
How I won't see the space that gave me hope here in
my bed
How I make my cup of coffee,
How I walk to the subway and not miss you hold my
hand.

[Chorus:]

God only knows
I fall in, I freak out
Too deep I cannot climb out
You told me you loved me, I thought that meant you
loved me
My stupid heart breaks
When will I ever learn to let go
God only knows

God only knows

How I wander the sidewalk
How I make it to work on time now that you're gone

When I can't make my car start
When I can't pay the rent of how it like I want

[Chorus]

Standing in the pouring rain, I'm fighting back the tears
that I get
I thought the love would last forever
Please, I can't seem to:..Breathe.
I fall in, I freak out
Yeah

I fall in, I freak out
Too deep I cannot climb out
You told me you loved me, I thought that meant you
loved me
When will I ever learn to let go
God only knows
God only knows
Yeah
