Rushing, way too fast,  
Why do I always do it?  
Thinking this might last,  
How could I be so stupid?  
But this time,  
I'm not OK, no,  
I need to breathe again,  
'Cause I don't want to

I don't want to make  
Another mistake like you  
And I don't want to hate  
But love doesn't get me through  
'Cause I can't be alone again  
No I don't want to make  
Another mistake like you

Stone cold and hurt inside,  
Not what I wanted to be  
I don't sleep,  
It's kind of hard when you cry,  
Yeah that's where you left me,  
But this time,  
It's not alright, no,  
I need to find someone,  
'Cause I don't want to

I don't want to make  
Another mistake like you  
And I don't want to hate  
But love doesn't get me through  
'Cause I can't be alone again  
No I don't want to make  
Another mistake like you

Don't want to be caught in the moment,  
that never comes,  
is it too much to ask,  
that true love will find me,  
I won't get stung,  
I'll find the one but

I don't want to make  
Another mistake like you  
And I don't want to hate  
But love doesn't get me through  
'Cause I can't be alone again  
No I don't want to make  
Another mistake, like you

I don't want to make (like you)  
Another mistake like you (like you)  
And I don't want to hate (like you)  
But love doesn't get me through  
'Cause I can't be alone again  
No I don't want to make  
Another mistake
