(Eddie):

Whatever happened to saturday night
When you dressed up sharp and you felt alright
It don?t seem the same since the cosmic light
Came into my life and I thought I was divine
I used to go for a ride with a chick who?d go
And listen to the music on the radio
A saxophone was blowing on a rock?n?roll show
And you climbed in the back and you reallyhad a good time

(All):

Hot Patootie bless my soul

I really love that rock?n?rollHot Patootie bless my soul I really love that rock?n?rollHot Patootie bless my soul I really love that rock?n?rollHot Patootie bless my soul I really love that rock?n?roll (Eddie):

My head used to swim from the perfume I smelt My hands kind of fumbled with her white plastic belt

I?d taste her baby pink lipstick and that?s when I?d melt

And she whispered in my ear tonight she really was mine

Get back in front and put some hair oil on Buddy Holly was singing his very last song With your arm around your girl you?d try to sing along

You felt pretty good ?cause you?d reallyhad a good time

(All):
