(Timothy Monroe Allen/Paul Laurence Jones)

You're puttin' a rush on me
But I'd like to know you better
You're puttin' a rush on me
But I'd like to know you better

What kind of girl do you think I am?
It's just too soon, can't you understand?
I'm not the kind of girl who has to
Lay you down before I fall in love
It's been kinda nice bein' with you
But baby, you've got to slow down

You're puttin' a rush on me
But I'd like to know you better
Maybe next time
You're puttin' a rush on me
But I'd like to know you better, baby

You're puttin' a rush on me
But I'd like to know you better
Maybe next time
You're puttin' a rush on me
But I'd like to know you better, baby

Please just be patient if nothin' else, oh, babe
Just know that I respect myself, yes, I do
But I hope I didn't lead you to thinking
Thinkin' that I was that easy, boy
I know that we're livin' in the '80s
Yet some things never change

You're puttin' a rush on me
But I'd like to know you better
Maybe next time
You're puttin' a rush on me
But I'd like to know you better, baby

You're puttin' a rush on me
But I'd like to know you better

Maybe next time
You're puttin' a rush on me
But I'd like to know you better, baby

I'm just an old fashioned girl
When it comes down to love
Before I give you some love
I've got to be sure your intentions are pure

Puttin' a rush on me, oh, babe
You're puttin' a rush on me
But I'd like to know you better
You're puttin' a rush on me
But I'd like to know you better
Maybe next time

You're puttin' a rush on me
You're puttin' a rush on me
Baby, can't you see
Puttin' a rush on me

You're puttin' a rush on me
But I'd like to know you better
You're puttin' a rush on me
But I'd like to know you better

You're puttin' a rush on me
But I'd like to know you better
You're puttin' a rush on me
Oh, baby, can't you see
Puttin' a rush on me

You're puttin' a rush on me
But I'd like to know you better
You're puttin' a rush on me
But I'd like to know you better
You're puttin' a rush on me
But I'd like to know you better
