This distance I can hardly take  
I'm not gonna blame it on you  
Walking away was my mistake  
Now I know what I gotta do  
This is now or never  
I'm choosing now  
Man, I'm ready for a change  
I wanna regain  
Every bit of innocence

This is outta control  
I gotta let you know  
I'm getting back to innocence

She caught my eye then looked away  
Afraid that I would see through  
That smile she tries so hard to fake  
God, it's like she's running from you  
Tired of playing clever  
She made this vow:

Man, I'm ready for a change  
I wanna regain  
Every bit of innocence

We've been weighed down for so long  
Let's change the tune of our song  
We're breaking out of these chains  
And setting straight what remains

Man, I'm ready for a change  
I wanna regain  
Every bit of innocence  
This is outta control  
I gotta let you know  
I'm getting back to innocence

Are you ready for a change  
We gotta regain  
Every bit of innocence  
This is outta control

We gotta let 'em know  
We're getting back to innocence

Take your past  
Say so long  
Start dancing  
To your new song  
You got a new song
