you are a diamond
that sparkles from a distant shore
and I love you
just say that here you'll stay
inside my world forevermore
and I need you
darling, I will be your everything
life ties with the seasons, love will flow
love will grow

you touched, it meant so much
you're a special part of me and I love you
in love together we will always be
always the ties of love will bind
you and I

[Chorus:]
don't stop doin' what we do
can't stop falling in love
making plans for two
don't stop doin' what we do
hearts keep callin' out love
just me and you

mm-mmm-mm

your kiss has got me spinnin' round
just like a carousel
do what we want to do
when we're alone and we won't tell
darling, I will be your everything
I'm yours, and I want to let you know
[want to let you know]
whoa, whoa, whoa

[repeat chorus w/ ad-libs]
