And if I should lose your love
For any reason, any reason at all
Then let my record show
I gave you all the love I know, ooh, ooh, oh, oh

It's somethin' that you told me
It stayed in my head all night long
You wanted me to love you
When you said simply
Reach out and touch me
My love is in your hands, come on, y'all

Feel me
I want to feel the fire, yeah, oh
Feel me, all you got to do
I want to feel you, I wanna feel you, yes, I do, oh

And if I should lose your love
For any reason, any reason at all
Then hey, please let my record show
I gave you all the love I know, oh, ho, ho, ho, ho, oh...

Feel the fire
Feel... oh...
Don't try to play with my emotions
Give me love, give me all the love and all your devotion

Oh... oh... oh... oh...
Feel the fire
Feel the fire
Don't, don't try to play with my

Feel the fire
Feel the fire
Feel the fire
