Everything all at once and I'm bearily breathing here at all.

I put it off. I don't want to deal. It's too hard to feel so I press on.

I can't slow it down, don't wanna be alone.

I'm too afraid 'cause if I do I know.

(Chorus)

It hits me like a heart attack and I'm down for the count now.

I'd never thought it come to that,

But it's too late to back down.

This is not going to be pretty so everybody stand back.

It hits me like a heart attack.

Anything could be the staw that breaks my back, I'm wearing thin.

I got a funny feeling I've been here before, it's hard to ingore it anymore.

I can't slow it down, don't wanna be alone.

I'm too afraid 'cause if I do I know.

(Chorus)

It hits me like a heart attack and I'm down for the count now.

I'd never thought it come to that,

But it's too late to back down.

This is not going to be pretty so everybody stand back.

It hits me like a heart attack.

Oh, what do you want from me?

I've been ready so long, going so hard and now it's pulling me apart.

It took all of this to finally show me, that you are the one I need.

(Chorus)

It hits me like a heart attack and I'm down for the count now.

I'd never thought it come to that,

But it's too late to back down.

This is not going to be pretty so everybody stand back.
It hits me like a heart attack.

It hits me like a heart attack and I'm down for the count
now.

I'd never thought it come to that,

But it's too late to back down.

This is not going to be pretty so everybody stand back.

It hits me like a heart attack.
