Come on, baby, dry the tears from your eyes
'Cause I'm here for you
Deep in my heart I believe
That you would be much better with me, oh

Just give me a chance to show you my love
The way that love should be
There's no turnin' back with me
'Cause I know I'll give love like you have never had
before

I would never
(Never)
Do you wrong
(Oh, no)
I would never hurt you
The way that she's done

I would never
(Never)
Do you wrong
(Never)
I'm just here to show you
I just wanna love you

Remember the day, the day that we met
I was crazy for you
And I know that you wanted me
Though you didn't give in easily, no, hmm

And now that I need to know where I stand
Do you want my lovin', baby
Or are you just passing time
While you hold on to love that you know is no good

I would never
(I would never)
Do you wrong
(Wrong)
I would never hurt you
The way that she's done

I would never
(Never)
Do you wrong
(Never)
I'm just here to show you
(Oh)
I just wanna love you
(Oh)

I would never
(Never)
Do you wrong
(Oh, no)

I'll never hurt you
The way that she's done
I would never
(Never)
Do you wrong
(Oh, no)

I'm just here to show you
(I'm just here to love you)
I just wanna love you
(Oh, baby, oh)

Oh, no
Do
Oh, ho, hey, oh, ho
Oh, oh, no
Ooh, oh
Never, never, never, never, never, no

I would never
(Never)
Do you wrong
(Oh, baby, no)
I would never hurt you
The way that she's done

I would never
(Oh, no)
Do you wrong
(Oh, no)
I'm just here to show you
(Oh, yeah, ooh, ah, yeah)
I just wanna love you

I would never
(I wanna please you)

Do you wrong
(Don't wanna tease you)
I'll never hurt you the way that she's done

I would never
(Oh, no)
Do you wrong
(Baby, no)
I'm just here to show you
(Oh, yeah, hey)
I just wanna love you

I would never
(Baby, she can't love you like I do)
Do you wrong
This love I have for you is true
Forever you, forever me, mmm

Baby, this love I have for you is all
I just wanna be the one
To give you love day and night
I just wanna love you

I would never
(Yes, I do, oh, no)
I'll never hurt you the way that she's done
I would never
(Oh, baby, no, oh, no, no, no)

I would never
(I will never)
Do you wrong
(Do you wrong)
I would never hurt you the way that she's done

I would never c
(Oh, no)
Do you wrong
(Oh, baby, no)
I'm just here to show you
(Yes, I am)

I just wanna
(Oh)
Love you
(Yeah)

I would never
(I'll never)
Do you wrong
(I'll never)

I'll never hurt you the way that she's done

I would never
(No, baby, no)
Do you wrong
