I never knew love like this before  
Now I'm lonely never more  
Since you came into my life  
You are my lovelight, this I know  
And I'll never let you go  
You my all, you're part of me

Once I was lost and now I'm found  
Then you turned my world around  
When I need you, I call your name

'Cause I never knew love like this before, opened my  
eyes  
'Cause I never knew love like this before, what a  
surprise  
'Cause I never knew love like this before

This feeling's so deep inside of me  
Such a tender fantasy  
You're the one I'm living for  
You are my sunlight and my rain  
And time could never change  
What we share forever more, ooh

I never knew love like this before  
Now I'm lonely never more  
Since you came into my life

'Cause I never knew love like this before, opened my  
eyes  
'Cause I never knew love like this before, what a  
surprise  
'Cause I never knew love like this before, inside of me  
I never knew love like this before, opened my eyes

Never, never, never knew love like this  
Never, never, never knew love like this  
Never, never, never knew love like this  
Never, never
