Friends tell me I am crazy  
That I'm wasting time with you  
You'll never be mine  
That's not the way I see it  
'Cause I feel you're already mine  
Whenever you're with me

People always talk about, reputation  
I don't care what you do to them  
Just be good to me  
Friends are always tellin' me you're a user  
I don't care 'bout your other girls  
Just be good to me

You may have many others  
But I know when you're with me  
You are all mine  
Friends seem to always listen  
To the bad things that you do  
You'll never do that to me, oh no

People always talk about, reputation  
I don't care what you do to them  
Just be good to me  
Friends are always tellin' me you're a user  
I don't care 'bout your other girls  
Just be good to me

Life is a game of chances  
So I'll take my chance with you  
And you I won't try to change  
We talk about it and I'd  
Rather have a piece of you  
Than to have all of nothing

So just be good to me in the morning time

Just be good to me, in the afternoon or evening

Just be good to me

I'm not the jealous type I won't let you down

When you need me, I'll be around

I'll be good to you, you'll be good to me

We will be together, be together

I'm not the jealous type I won't let you down

When you need me, I'll be around

I'll be good to you, you'll be good to me

We will be together, be together
