I saw you standing on the corner,  
your eyes were telling me the story.  
I knew this wasn't the first time,  
you stood there drowning in your place.

Can't imagine what he did to you,  
I bet he threw your heart around.  
Stood there blinded by your fear,  
The light of day was on your path.

Watch out you're throwing your life away.  
Can't you see that he is not for you?  
I know you're feel afraid of change.  
Watch out you're throwing your life away.  
Can't you see that he is not for you?  
I know you're feel afraid of change.

Life is more than all of this,  
Why can't you open up your eyes?  
I can't watch you ruin your life.  
But a life of just one more.

Watch out you're throwing your life away.  
Can't you see that he is not for you?  
I know you're feel afraid of change.  
Watch out you're throwing your life away.  
Can't you see that he is not for you?  
I know you're feel afraid of change.

What you feel about him,  
is not for real.  
I'm a guy that loves you,  
it's all you need.

All you need,  
can't you see?  
All you need,  
girl, can't you see?  
All you need,  
can't you see?  
All you need,

can't you see?

All you need.

All you need.
