We'll drink a drink a drink  
To lily the pink the pink the pink  
The saviour of our human race  
For she invented, medicinal compound  
Most efficacious in every case

And it made him awful shy  
And so they gave him medicinal compound  
And now he's learning how to fly

Brother Tony was notably bony  
He would never eat his meals  
And so they gave him medicinal compound  
Now they move him round on wheels

We'll drink a drink a drink  
To lily the pink the pink the pink  
The saviour of the human race  
For she invented medicinal compound  
Most efficacious in every case

Old Ebenezer thought he was Julius Caesar  
And so they put him in a home  
Where they gave him medicinal compound  
And now he's emporor of Rome

Jonny Hammer, had a terrible st st st st stammer  
He could hardly sssay a word  
And so they gave him medicinal compound  
Now's he's seen, but never heard

Aunty Milly ran willy nilly  
When her legs they did recede  
So they looked on medicinal compound  
Now they call her milipede

Jennifer Eccles, had terrible freckles  
And the boys all called her names  
But they gave her medicinal compound  
Now he joins in all the games

Lily the pink she turned to drink  
She filled up with parafin inside  
And despite her medicinal compound  
Sadly piccalilli died

Up to heaven her soul ascended  
All the church bells they did ring  
She took with her medicinal compound  
Hark the herald angels sing
