I'm not afraid Not afraid not afraid
I'm not afraid not afraid not afraid

Sorry it's over
I think it's the best thing for now
I'm takin the memories
I don't want to leave them all behind
Some were good, some were bad, some were in
between
But I gotta do what's right for me

And I'm not afraid
To walk away, let me go for the last time
I finally got it straight for the first time
Not afraid cause I know He's there to meet me
So I'll be gone
I'll be gone, but not alone

Oh Oh Oh Oh Oh

I hate how it happened
But it just wasn't supposed to be
Lets not talk about it
Cause always looking back wont change a thing
Leave the good, leave the bad, and the in between
I'm gonna do what's right for me

And I'm not afraid
To walk away let me go for the last time
I finally got it straight for the first time

Not afraid cause I know He's there to meet me
So I'll be gone
I'll be gone, but not alone

It may not be easy
Cause at its best life is still hard
But He is with me
And I am not alone

Not afraid gotta go for the last time
I got it straight for the first time

I'll be gone but not alone

To walk away let me go for the last time
Finally got it straight for the first time
Not afraid cause I know He's there meet me
So I'll be gone
I'll be gone, but not alone

I'm not afraid
Don't let me go for the last time
Finally got it straight for the first time
Not afraid cause I know He's there meet me
So I'll be gone
I'll be gone, but not alone

I'll be gone but not alone
I'll be gone but not alone
I'll be gone, be gone, be gone
