Verse 1:

Another day, and before I begin  
Something within me says IÂ'm not okay,  
lets address this emptiness  
Cause IÂ'm really a mess

Chorus:

Savior of this heart  
You renew me  
And let me start again

Verse 2:

What can I say  
Despite my attempts IÂ'm still stuck in  
this shame  
So take it away  
YouÂ're the only one who can

Chorus:

Savior of this heart  
You renew me  
And let me start  
Savior of this heart  
Breakthrough and save me from  
what I choose to be  
so I can start again

Bridge:

Every time I put on this thin disguise,  
I realize You can see through me  
and itÂ's no surprise  
IÂ'm not okay  
Will you restore whatÂ's broken deep  
inside IÂ'm not okay  
And bring to light the things I try to  
hide  
DonÂ't want to wait another day
