Iâ€™m lost again, in awe tonight
As you paint the sunset sky
A miracle, another sign
With your thumbprint every time
It always seems to bring to mind
The blessings that come alive
But thatâ€™s just what you do
Thatâ€™s not all of you

I love you for you, you, and you alone
Because of you, you, and you alone
Not for all of your wonders
But all that you are
I love you, you, you
You alone
You alone

Youâ€™re more than just a name I praise
Youâ€™re more than amazing grace
Your mercyâ€™s new everyday
But thatâ€™s just the starting praise
Itâ€™s your heart, itâ€™s your face
Itâ€™s your beauty I long to chase
But itâ€™s not what you do

Thatâ€™s why I love you

I love you for you, you, and you alone
Because of you, you, and you alone
Not for all of your wonders
But all that you are
I love you, you, you
You alone

Even though my mindâ€™s too small
To really grasp more than you are
Iâ€™ll trust you with my heart
Cause you love me
I can love you
I love you
You alone

I love you, you, and you alone
Because of you, you, and you alone
Not for all of your wonders
But all that you are
I love you, you, you
You alone

You alone
Because of you, you, and you alone
Not for all of your wonders
But all that you are
I love you
