You've really got me this time

It's too late to leave

And neither of us wants to go home

But as we're here let's face the situation

Let me explain, I don't believe in love

Tonight there's no-one else above us

It's just you and me

And all the idiots hanging around

Don't have a clue what they're trying to prove now

I soon realise I don't believe in love until we dance

Well I, I think you'd better stop there

You hold my hand

It makes me wanna cry

Let's take a vow

Don't underestimate it

We both know it's true, we don't believe in love

And there's nothing you can do about it

It's unconditional, it's unforgivable

There's nothing you can do to stop it

Not anymore

Well I, I think you'd better stop there

You hold my hand

It makes me wanna cry

Let's take a vow

Don't underestimate it

We both know it's true, we don't believe in love

But you've gotta admit

It was as good as it gets

But don't give yourself away

I don't need anyone, no no no no

But you've gotta admit
It was as good as it gets
But don't give yourself away
I don't need anyone, no no no no
