Hello little girl,
Hello little girl,
Hello little girl.

When I see you every day,
I say, "Mm-mm, hello little girl"
When you're passing on your way,
I say, "Mm-mm, hello little girl"

When I see you passing by,
I cry, "Mm-mm, hello little girl"
When I try to catch your eye,
I cry, "Mm-mm, hello little girl."

(Hello~)
I send you flowers
But you don't care.
You never seem to see me
Standing there,
I often wonder what you're thinking of,
I hope it's me
And love, love, love.

So I hope there'll come a day
When you'll say
Mm-mm, you're my little girl.

(Hello~)
It's not the first time that it's happened to me,
It's been a long, lonely time
And it's so funny, so funny to see
That I'm about to lose my mind.

So I hope there'll come a day
When you say
Mm-mm, you're my little girl, mm-mm-mm.

You're my little girl, mm-mm-mm.

You're my little girl, oh yeah.

You're my little girl.
