Hikitta asufaruto wo tatakitsukeru ashioto
Hitogomi ni umorenagara ashita wo sagashite iru
Ukeireta kono michi wo
Atemonaku susumu no?
Furidashita ame ni kokoro goto utarete

Maichiru tsubaki no hanabira
Marude violetta no you ni
Utsukushii shirabe
Soshite shizuka ni me wo tsuburu no

Haiiro no fuyu no kaze ga boku no hada wo tsukisasu
Itami sae mahi suru hodo ikiru imi mo mienai
Bon'yari to ukanderu
Muku na shoujo no koro
Semete nemuru made tokete shimawanaide

Kogoeru tsubaki no tsubomi wa
Hitori tsugi no haru wo negau
Hon no sukoshi dake
Douka chikara ataetamae to

Maichiru tsubaki no hanabira
Marude violetta no you ni
Utsukushii shirabe
Soshite shizuka ni me wo tsuburu no
