Ima made mienakatta sou  
Koi suru kimochi wo kanjite iru kara

Mune no oku no merodi ne  
Kokoro ni hibiite kaze ni nori kikoeru

Sore made nanigenaku sugoshiteta kedo  
Totsuzen "tokubetsu na sonzai" ni kawatte...

Sekaijuu no hito subete ga se wo muketemo  
Mitsumete iru yo omotte iru yo watashi wa anata dake

Mado kara miru keshiki wa sou  
Itsumo to kawarazu nagareru usui kumo

Tonari ni iru dake de rizumu ga hazumu  
Futari dake no toki wo kokoro ni kizamikomu

Kono koi wa kitto anata ga hakonde kita  
Dakara mienai unmei sae mo kaete miseru  
Sukoshi demo kikoeru you ni todoku you ni  
Kono mama zutto anata to onaji merodi wo kanadetai

Anata no merodi ga watashi no merodi de ima  
kagayakeru you ni

Kono koi wa kitto anata ga hakonde kita  
Dakara mienai unmei sae mo kaete miseru  
Sukoshi demo kikoeru you ni todoku you ni  
Kono mama zutto anata to onaji merodi wo kanadetai

Anata no merodi de anata dake no tame  
utaitsudzukete itai
