Himawari no you ni mabushii hodo no egao tayasazu ni
Massugu ashita wo mitsumete jidai wo norikoete yuku

"Sugiteku jikan" wa wasurete shimau kedo
Sore demo kienai KIZUNA kokoro ni aru kara

Takegae no nai taisetsu na mono
Sotto yasashiku kowasanai you ni daite

Himawari no you ni mabushii hodo no egao tayasazu ni
Massugu ashita wo mitsumete jidai wo norikoete yuku

"Iranaku natta MONO" wa doko ni suteta no?
Kizuita bokura no yume wa nakusanai you ni

Kawaranai omoi ga aru kagiri
Kitto tobira no akehanatsu koto dekiru yo

Ano tori no you ni jiyuu na tsubasa motte bokura wa
Tonde miseru kara ryoute ni atarashii kaze kanjite

Takegae no nai taisetsu na mono
Sotto yasashiku kowasanai you ni daite

Himawari no you ni mabushii hodo no egao tayasazu ni
Massugu ashita wo mitsumete jidai wo norikoete yuku

Ano tori no you ni jiyuu na tsubasa motte bokura wa
Tonde miseru kara ryoute ni atarashii kaze kanjite
