Her eyes light up
At the sight of you.
You're the only thing that's
Good enough for her.
So she cries out with a heart that's
Full of pain,
Looking out at her sky
She gets lost in you.

And you send her the rain
To help her sleep,
And you give her sunlight
To guide her way,
And you sent your son to
Save her soul from
Coming clouds and
Darker Skies.
She flies clear
Up to you.

She's not someone
To stand out
In a crowd.
Nothing she can do is
Good enough for them.
So she sits next
To the window pane
Looking out at her sky
She gets lost in you.

Coming soon to fly her away
She flies clear
Up to you.

La da da da...
