Chorus

Im falling head over heels for you
But my hands are shaking
Im falling asleep to dreams of you
But my heart keeps racing
And i'll shoot the stars down
So nothing can be bright as you
And if you stop all sound
You'll hear my heart
My heart beat for you.

As your eyes intertwine
With veins of color
And the rain falls down
Tapping to the rhythm
Of our heartbeats
So lets flip up our hoods
And lay down on the swing
So i can warm your face
With the touch of my lips.

Chorus

Im falling head over heels for you
But my hands are shaking
Im falling asleep to dreams of you
But my heart keeps racing
And i'll shoot the stars down
So nothing can be bright as you
And if you stop all sound
You'll hear my heart
My heart beat for you.
So i'll breathe deeply
And your story
Gets written in my veins
Your eyes are stuck in my head
Your scents stuck in my clothes. (x2)

Chorus

Im falling head over heels for you
But my hands are shaking
Im falling asleep to dreams of you
But my heart keeps racing
And i'll shoot the stars down
So nothing can be bright as you

And if you stop all sound
You'll hear my heart
My heart beat for you.
