Talking:

Who d'you like the best, Maureen

Well, I think John's the gear

I think Paul's fab

Well Ringo's a bit of alright, tho', isn't he

Go on, it's George.

Ah, be honest.

Chorus:

We love the Beatles

We love the Beatles

Yeah yeah yeah yeah

There's Johnny, Paul and gorgeous George and Ringo Starr,

And everyone in Britain knows how fab they are

We read about them in the papers every day,

Yes, we're crazy 'bout the Beatles and we're glad to say

(Chorus)

Now Johnny is the leader and he knocks us out,

The way he sings the melody on Twist & Shout;

Aaaah, aaaah, aaaah, aaaah....

Paul and George are on guitar and sing along too,

Now Ringo fills the rhythm and they all shout ooooooh!!

(Chorus)

Oh how we adore them

We'd do anything for them

We're mad about their haircuts and their crazy clothes

Dig everything about them from their heads to their toes

We've never felt like this before, so let's explain to yer,

We've simply got...Beatlemania

(Chorus)
