If I never knew you  
If I never felt this love  
I would have no inkling of  
How precious life can be

And if I never held you  
I would never have a clue  
How at last I'd find in you  
The missing part of me

In this world so full of fear  
Full of rage and lies  
I can see the true so clear  
In your eyes  
So dry your eyes

And I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

If I never knew you  
I'd be safe but half as real  
Never knowing I could feel  
A love so strong and true

I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

I thought our love would be so beautiful  
Somehow we'd make the whole world bright  
I never knew that fear and hate could be so strong  
All they'd leave us were these whispers in the night  
But still my heart is saying we were right...

Oh, if I never knew you There's no moment I regret  
If I never knew this love Since the moment that we met

I would have no inkling of If our time has gone too fast  
How precious life can be... I've lived at last...

I thought our love would be so beautiful, so beautiful  
Somehow we'd make the whole world bright  
I thought our love would be so beautiful  
We'd turn the darkness into light  
And still my heart is saying we were right...  
We were right...

And if I never knew you  
If I never knew you  
I'd have lived my whole life through...

Empty as the sky  
Never knowing why  
Lost forever  
If I never knew you
