Ratcliffe

This will be the day...

Let's go, men!

Powhatan

This will be the morning...

Bring out the prisoner!

English settlers & Native Americans

We will see them dying in the dust

Pocahontas

I don't know what I can do

Still I know I've got to try

English settlers

Now we make 'em pay

Pocahontas

Eagle, help my feet to fly

Native Americans

Now without a warning...

Pocahontas

Mountain, help my heart be great

English settlers & Native Americans

Now we leave 'em blood and bone and rust

Pocahontas

Spirits of the earth and sky

English settlers & Native Americans

It's them or us

Pocahontas

Please don't let it be too late

English settlers & Native Americans

They're just a bunch of filthy, stinking

English settlers
Savages!

Native Americans
Savages!

English settlers
Demons!

Native Americans
Devils!

Ratcliffe
Kill them!

Native Americans
Savages!

English settlers
Savages!

Ratcliffe
What are we waiting for?

All
Destroy their evil race
Until there's not a trace left

Pocahontas
How loud are the drums of war

English settlers & Native Americans
We will sound the drums of war
Savages! Savages!
Now we sound the drums of war
Savages! Savages!

Ratcliffe
Now we see what comes
Of trying to be chums

Native Americans
Now we sound the drums of war

English settlers
Of course it means the drums of war

Pocahontas
Is the death of all I love
Carried in the drumming of war
