She'll take a chance on this boy  
Missiles launched and she's deployed  
Her plan to understand him now  
And she don't know where he's been  
But she'll find a reason  
To let a love pass her by again  
And don't say it didn't mean a thing  
After all those silly songs I'm singing  
No, you've blown your thoughts to shore  
It's the moment we live for  
Don't let it slip out the back door  
Don't let life pass you by  
And your heart's saying, "Yeah, let's go"  
But your mind's saying, "Oh no"  
Don't let love die tonight  
'Cause she's not alright  
She's like a wine that's fine with age  
But she can't find it in her heart to change  
The way she feels about me now  
And like a star that's far away  
I took the fall and she's to blame  
My heart is tangled in her now  
And don't say it didn't mean a thing  
After all those silly songs I'm singing  
No, you've blown your thoughts to shore  
It's the moment we live for  
Don't let it slip out the back door  
Don't let life pass you by  
And your heart's saying, "Yeah, let's go"  
But your mind's saying, "Oh no"  
Don't let love die tonight  
'Cause she's not alright  
It's the moment we live for  
Don't let it slip out the back door  
Don't let life pass you by  
And your heart's saying, "Yeah, let's go"  
But your mind's saying, "Oh no"  
Don't let love die tonight  
'Cause she's not alright
