Heres to the note she wrote  
Well raise a bottle  
Oh, got drunk and made out with a model  
What the hell is going on tonight?  
It seems Im stuck in game mode  
The settings are hit it and quit it  
Dont go home alone tonight  
Girl, youre alright, girl, by my side  
You werent the best I've ever had  
You werent the best I've ever had

Were the boys with the cars that show off our scars  
That get the girls that rock your world  
Dont you wish you knew what it was like to be me?

Heres to the note she wrote  
Well raise a finger  
Obscene gestures, so she said  
But I only said sweet things to get you in bed  
And she was touching, teasing me  
Her game was good, but I was playing easy  
See I had the will to leave it alone  
Though her words were mean she still escorted me  
home, and she said  
You're with the best youll ever have  
And I said, Youre not the best Ive ever had

Were the boys with the cars that show off our scars  
That get the girls that rock your world  
Dont you wish you knew what it was like to be me?

Oh my god this ones amazing,  
He's not like all the other guys.  
Dude, I think this girls falling for me (Yeah?)  
I don't know if I should but man it be so easy.

Cause were the boys with guitars  
Were big rock stars  
Yeah, well steal your girl, and rock her world  
Dont you wish you knew what it was like to be me?
