Time I've been passing, time watching trains go by  
All of my life lying on the sand, watching seabirds fly  
Wishing there would be someone waiting home for me  
Something's telling me it might be you  
It's telling me it might be you all of my life

Looking back as lovers go walking past all of my life  
Wondering how they met and what makes it last  
If I found the place, would I recognize the face?  
Something's telling me it might be you  
Yeah, it's telling me it might be you

So many quiet walks to take  
So many dreams to wake  
And we've so much love to make  
Oh, I think we've gonna need some time  
Many be all we need is time

And it's telling me it might be you all of my life

I've been saving love songs and lullabies  
And there're so much more no one's ever heard before  
Something's telling me it might be you  
Yeah, it's telling me it must be you  
And I'm feeling it'll just be you all of my life

May be it's you  
(It's you)  
Maybe it's you  
(It's you)  
I've been waiting for all of my life
