

Day in the Life, A "Audrey In Sacramento"

Visit "[Audrey In Sacramento](#)" on [MotoLyrics.com](#)

I don't wanna see you again
that's what she said as she waved goodbye
Audrey will live alone in Sacramento way beyond the
coast

that's when she said something that shook my heart
we are leaving and never looking back
and I knew I would never see you again

it seemed so long ago that I was able to breathe
I want nothing more than for you to breathe
one last breath

kiss me softly and please try not to steal my breath
its not sweet enough for you
but you can reach down my throat and steal my heart
so yours can beat again

I'd surely sell my heart for an hour with you
and maybe one last night
