

## **Day in the Life, A "Flux Capacitor"**

Visit "[Flux Capacitor](#)" on [MotoLyrics.com](http://MotoLyrics.com)

lets just hope  
we can make it out alive  
nothing hurts worse  
than knowing  
be anywhere  
with anyone again  
nothing hurts worse  
than knowing

it hurts so bad inside  
to know that your gone  
maybe ill take your picture  
to make this last longer  
it hurts so bad inside  
to know that your gone  
maybe ill take your picture  
it hurts so bad inside  
without you  
you make me feel this way  
without you

lets just hope  
we can make it out alive  
nothing hurts worse  
than knowing  
be anywhere with anyone again  
nothing hurts worse  
than knowing

and if we try  
to make it out alive  
nothing hurts worse than knowing  
lets just try  
to make it out alive  
nothing hurts worse than knowing  
and if we try  
to make it out alive  
nothing hurts worse than knowing

lets just hope  
we can make it out alive

nothing hurts worse than knowing  
lets just hope  
we can make it out alive  
nothing hurts worse than knowing

lets just hope  
lets just hope  
lets just hope

lets just hope  
we can make it out alive
