the skylines won't seem the same
cause i know, you wont be here
the last thing that you said
was wait for me.

wait for this, wait for me

whoever said you can't live forever
(whoever said you can't live forever)
when it's so easy to fade away
whoever said you can't live forever
(whoever said you can't live forever)
when it's so easy to fade away (away)

just believe it's you and me..waiting
just believe it's you and me
and im not there, and you're not here
(waiting)

can you see the skylines end?
lets make hearts into the sand.
(i promise, i promise)
can you see the skylines end?
lets make hearts into the sand
(i promise, i promise)

whoever said you can't live forever
(whoever said you can't live forever)
when it's so easy to fade away
whoever said you cant live forever
(whoever said you can't live forever)
when it's so easy to fade away (away)

just believe it's you and me..waiting
just believe it's you and me
and im not there, and you're not here
(waiting)

can you see the skylines end?
lets make hearts into the sand
(i promise, i promise)

can you see the skylines end?
lets make hearts into the sand
(i promise, i promise)

can you see the skylines end?
lets make hearts into the sand
(i promise, i promise)
