I remember the time  
all through the night  
trying not to close my eyes again  
Spending many hours  
in a stolen car  
trying not to pull over and cry

My eyes open  
I just want to die  
Kill me with your words  
Kill me one last time  
Cut out my heart  
and throw it on the floor,  
for everyone to see

Remember you said,  
'Kiss me sweetheart,  
before you go again.'  
Don't say  
'It's over this time.'

She bleeding on the inside  
for me to call again  
Waiting for her just to say goodbye  
just one last time  
Bleeding on the inside

Am I supposed to say  
anything at all  
to make you want me back  
If I had three wishes  
I'd wish them all on you  
I'd wish you away  
from me

Am I supposed to say  
anything at all  
She's bleeding on the inside  
for me to call on again  
Waiting for her just to say goodbye
