Sometimes

Every face I see is cold as ice  
Everything I touch is pale  
Ever since I lost imagination  
Like a stream that flows into the sea  
I am lost for all eternity  
Ever since you took your love away from me

Sometimes the sound of goodbye is louder than any  
drum beat [2x]

Drum, drum, drum beat [7x]  
Is louder

Drum, drum, drum beat [3x]  
Drum, drum, drum, is louder  
Drum, drum, drum beat [4x]  
Is louder

Sometimes the sound of goodbye is louder than any  
drum beat [2x]
