

## **Day To Remember, A "Better Off This Way"**

Visit "[Better Off This Way](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I wonder if you'll notice, if they lock me up and throw  
away the key  
Try to be open minded, you've got a lot to learn in the  
ways of me  
You've always got to say something,  
I'm none of your concern but you wont listen at all  
You know I'd rather say nothing  
and just be proud of myself for tearing down these  
walls

When you fall, I'll be the only one who looks away  
When you call, I'll be the first to tell you I can't stay  
It's all over I've found a better way  
To help keep you from me, I'm better off this way

(Woah-ah-oh, woah-ah-oh)  
I'm better off this way  
(Woah-ah-oh, woah-ah-oh)

You gotta keep this coming  
Tell me like you know it, but you don't know nothing  
Your call, we can settle this like gentlemen,  
or meet me at the back to end it all and start again.

My whole life's spent waiting  
Ever since I can remember I've been anticipating your  
fall  
and god let it be a long one  
Can't let go of my grudge till I know you're done

When you fall, I'll be the only one who looks away  
When you call, I'll be the first to tell you I can't stay  
It's all over I've found a better way  
To help keep you from me, I'm better off this way

(Woah-ah-oh, woah-ah-oh)  
I'm better off this way  
(Woah-ah-oh, woah-ah-oh)

You want it, you've got it  
You've always been such a waste of time

You want it, you've got it  
A friend of your's is no friend of mine  
You want it, you've got it  
When will you act your age?  
You want it, you've got it  
You're the reason things have to change

(Woah-ah-oh, woah-ah-oh)  
You're the reason things have to change  
(Woah-ah-oh, woah-ah-oh)

When you fall, I'll be the only one who looks away  
When you call, I'll be the first to tell you I can't stay  
It's all over I've found a better way  
To help keep you from me, I'm better off this way

(Woah-ah-oh, woah-ah-oh)  
I'm better off this way  
(Woah-ah-oh, woah-ah-oh)  
I'm better off this way
