Tonight i'm sending you a message
This is the end of an era
The end of second chances
In the face of defeat
I'm winning
Yet you still have so much left to say

Oh! they're coming straight for me.
Awoh! they're coming straight for me.

Read between the lines
We can't give in this time

Just let me go for now i'll be just fine
(Just let me go)
Don't you know, don't you know
Now that i'm back on my own

Just let me go for now I'll be just fine
(Take this slow)
Don't you know, don't you know
Now that i'm back on my own

Tell me how it feels
To watch the walls of your security crumble
I remember you
You took the easy way out
When i gave you something to stand for

Oh! they're coming straight for me.
Oh! they're coming straight for me.

We can't give in this time

Just let me go for now i'll be just fine
(Just let me go)
Don't you know, don't you know
Now that i'm back on my own

Just let me go for now I'll be just fine

(Take this slow)
Don't you know, don't you know
Now that i'm back on my own

I was just another promise you couldn't keep

(Breakdown)
