

## Day To Remember, A "Monument"

It's Monday morning  
And I would kill for a chance to drive  
Get so far away from here with you my dear  
That I'll never leave your side  
Nobody knows the troubles I've seen  
In a van, on a soapbox for the world to see

Miles away, and I wish this didn't mean so much to me  
To be a monument for the rest of them  
Miles away, and I wish this didn't mean so much to me  
To be a monument for the rest of them

We're getting older  
I've started to fear for my life  
is this the way that it should be?  
this whole thing's riding on me  
it's been a long road so far  
with nowhere to turn  
There's no looking back from here  
no more dwelling on my fears

Miles away, and I wish this didn't mean so much to me  
To be a monument for the rest of them  
Miles away, and I wish this didn't mean so much to me  
To be a monument for the rest of them

Twenty bucks says you'll remember me  
When you see me on your TV screen  
It may be the first time  
But it won't be the last time  
[x3]

And I'll scream  
so loud that everyone in this place  
Will hear every word I say  
'cause this is my time, this is my time to shine  
let nothing stand in our way  
[x2]

Twenty bucks says you'll remember me  
When you see me on your TV screen

It may be the first time  
But it won't be the last time
