they said you'll grow up someday soon enough  
the days gonna come when you put in your nine to five  
just like the next man  
they said your friends will be fly by nights  
so decide your fate at fourteen  
all of them live someone else's dream to be sold  
they all look down their nose on me like I'm below them  
all of them said to go nowhere is a disease  
so decide you're running out of time  
that's what they always used to say to me and you  
when we dream of a different day  
the voices were there to remind us that we're getting  
old  
and our worst fears were right all along  
they said you'd grow up someday soon enough  
the days gonna come when you put in your nine to five  
just like the next man  
all of them said to go nowhere is a disease so decide  
your fate at fourteen
