I tried, tried to make it on my own
Did my best to get along, I tried
It's no use, every winning streak just ends
Only days become the trend without you

(Chorus)

'Cause only you can make me..
Only you can make me happy, me happy.
Yeahhh

I'd lie if I told you how I felt
Not a word I think would help
My love it burns
You know I'm supposed to be with you
I'm a madman and a fool to be so, to be so...

(Chorus)

I don't even recognize myself
Don't wanna be with anybody else
It's hard to live like this
I couldn't have it any other way
Wouldn't wanna live another day
Without, without, without...

'Cause only you can make me...
Ohhh
Only you can make me
Ohhh

I don't even recognize myself
.... Nobody else
Ohhh

'Cause only you can make me...
Only you can make me happy
