got no time for homework, too busy being me!  
singing zero zombies, eating beans for tea.  
down with wormy worms, that's what i decree!  
i'm the king around here, the lord high majesty!  
they say that i am horrid, that's the way it goes!  
(hey) i'm really really horrid, that's the way it goes!  
im a hero,i'm a pirate, dodging girls who drool,  
a tyrannosaurus rex, coming straight at you!  
(c'omon!) wanna goo it? goo it? goo it?  
i just wanna do it! i just wanna goo it!  
too cool, too cool for school!  
i'm the one and only, the original!  
too cool, too cool for school!  
a total living legend, the king of them all!

mum and dad are always nagging, always tell me what to do,  
don't be horrid!, is what they say,  
get up and go to school!  
the best boys are so perfect, in every single way,  
moody margarets's such a beetle boss, bugs me everyday,  
(it's not fair!) that's so me! there is no equal,  
you going no way if you wanna find a sequel!  
don't wanna go to sleep,i wanna play all day!  
move it, groove it, goo it! that's what i say!  
wanna goo it? goo it? goo it?  
i just wanna do it! i just wanna go it!

too cool, too cool for school! i'm the one and only, the original!  
too cool, too cool for school!  
a total living legend, the king of them all!  
too cool, too cool for school!  
i'm the one and only, the original!  
too cool!, too cool for school!  
no no no no no! i'm nobody's fault!

when i'm tucked up in my bed, and i'm dreaming in my head,  
nobody can stop me, it's like i'm really free.  
free from girly girls, boys with curls,  
free from bogey teachers who just wanna preach ya!

too cool, too cool for school!  
(i hate homework!)

too cool, too cool for school!  
too cool, too cool for school!  
i'm the one and only, the original!  
too cool, too cool for school!  
i'm a total living legend, the king of them all!  
too cool, too cool for school  
i'm the one and only, the original!  
too cool, too cool for school!  
no no no no no! i'm nobody's fault!  
na na na ne na na! C'mon!  
too cool for school!
